Robert creates such a company to answer for the lack of professional Concierges Facilities, but as well to satisfy all customers needs.  
He launches the company in mid November that year, with a wealth of experience of more than 18 years in the Hospitality Industry associated to a multicultural knowledge.  
Robert strengthen his own capabilities working in London, Dubai, Egypt, The USA, Austria, Beirut and in Asia.

Terre & Mer Services is a young, innovative and versatile company focusing on its clients' needs and expectations.  
A wide range of customized products available 365/24/7

When Robert is asked for the main reason he decides to start Terre & Mer Services during those critical economic years, he answers without any doubt: "the market is there and world wide my customers are all expecting for such handling and support when arriving to their vacation or business location."
